

SwimAmerica Learn-to-Swim Configuration(30/06-05/07/2020)

Parking Lot

Swimmers will remain in the car until space permit for them to walk up the path maintaining 2 meter distance. Once the swimmer is dropped off, parents either stay in the car or sit in the designated area 2 meters apart. Only one parent/guardian will be allowed to accompany the swimmer.

Walking up

Spots will be clearly marked to stand 2m apart waiting their turn to wash hands and record temperatures. Feet sanitation and hand wash station, also record temperatures will take place within a tent on the path leading up to the pool deck.

PPE including face mask and Face Shield will be worn by the person recording the temperature.

Deck area

Marked spots 5 meters apart are available for warm-up, dryland activities and to keep personal belongings. Two outdoor showers will be installed 2 meters apart. Deck changing is encouraged.

Locker-rooms

Foot bath and hand wash station is available at the entry to the locker-rooms. All swimmers must use a pair of slippers in the Locker-room area. Use of the locker-rooms will be restricted and only used in emergencies. Toilets will be sanitized before and after each use by spraying disinfectant.

For girls 2 people at a time will use the locker-rooms for changing, maintaining 2 meter distance at all times.

Pool

- Levels 8/9 and 10 will have a maximum of 3 swimmers per class
- Levels 5/6 and 7 will have a maximum of 2 swimmers per class
- Levels Toddler/1/2/3 and 4 will have individual classes.
- Minimum 2 meter distance will be maintained between coach/swimmer and swimmer/swimmer at all times.

General

No one will be allowed to accompany the swimmer beyond the entrance gate for levels 5 and above and one person will be allowed to accompany Toddler – Level 4, to comply with MOH guidelines. Face masks will be worn at all times other than during exercise by the swimmers and at all times they are within the pool premises by the parents/guardians. Each person will carry a spray bottle of hand sanitizer to disinfect equipment before and after use.

At the completion of the lesson swimmers will exit the facility as soon as possible, maintaining 2 meter distance.
